

We have no e-mail addresses for the following classmates.

If you like what you see on the website, they would probably like it too.

It is also a good way for them to keep up with the reunion status, and they can get the registration form from the site if they have misplaced the one that was mailed in December.

E-mail your help—as always—to cerbhs62@gmail.com.

I am now stepping down from my soap box. ***E-mail me if you'd like a page with all of the tunes. No week to week repeats.***
